Mike Evans
Trade Events Manager

MIKE EVANS currently serves as the key liaison to the beverage industry trade and facilitates the external media and marketing partnerships for Southern Glazer's Wine & Spirits of Illinois. In this role he serves as a conduit between supplier partners, sales channels, customers and key market influencers. Evans leads the company's efforts to advance trade relationships through a variety of programs focused on mixology, wine education and strategic events. In addition, he oversees the community engagement and government relations practices for the company and serves as project manager for Chicago Gourmet, the largest food, wine and spirits festival in the Midwest.

Having earned certifications in spirits and wine from the Court of Master Sommeliers, the Society of Wine Educators and the Wine & Spirits Education Trust, Evans tries to approach all beverage practices with humility and fun, believing that people "drink what they like and will like what they know". His philosophy focuses on understanding the story and sense of place behind the brand, which makes what's in your glass a much more enriching experience.

Prior to his role at SGWS-IL, he held leadership positions within government and association management. Evans earned a bachelor's degree from Illinois State University and resides in Bolingbrook, Illinois with his wife Erin and daughters Ryan and Andi.

Serafin Alvarado, M.S.
Director of School of
Wine & Beverage Service

SERAFIN'S love of wine began more than a decade ago as a room service waiter for Hilton Hotels in his native Puerto Rico. It was the beginning of a career path that would ultimately lead him to achieve the status of Master Sommelier, a rank only 219 North Americans have accomplished.

In 2001, Serafin worked alongside Chef Charlie Trotter at his famed restaurant where he led a team of sommeliers responsible for managing one of the finest wine programs in America. In October 2005, Serafin received the Bill Rice distinguished "Sommelier of the Year" Award for his contribution to the culture of food and wine in the city of Chicago. Serafin is a current board member for the Guild of Sommeliers and Chairman of the Scholarship Committee. Serafin finds time to mentor several Master Sommelier candidates through the Court of Master Sommelier program.

Serafin leads SGWS-IL's School of Wine & Beverage Service which provides continuing education and professional development for trade members by covering an extensive range of subjects in the world of wine.

THIS BOTTLE BUILDS HOMES

Sombra is an award-winning organic mezcal that blends artisanal tradition with modern sustainability.

Sombra is the only major mezcal brand to own its distillery in Oaxaca, ensuring consistent quality and sustainable production methods.

Sombra upcycles the agave fibers, liquid left over from distillation, and local earth to create adobe bricks, which are used for local housing in earthquake-damaged regions of Mexico.

This is the first of over 20 houses constructed with Sombra adobe bricks.

When You Focus on Quality, the Awards Pour In.

Here at Heaven Hill Distillery, we've been *Lifting America's Spirit Since 1935*. And one thing that never gets old is winning awards for whiskeys of exceptional quality. In 2017, Elijah Craig Barrel Proof was named *Whisky Advocate's* Whisky of the Year. This year, our whiskeys won Best Bourbon, Best Single Barrel Bourbon, and Best Small Batch Bourbon at the San Francisco World Spirits Competition. And while awards are great, we never forget our true mission: Preserving the rich traditions of American whiskey-making, guiding its exciting evolution and championing its exciting future.

“TOGETHER, WE MADE MY FAVORITE BOURBON ON THE PLANET”

MATTHEW MCCONAUGHEY

**WILD TURKEY
LONGBRANCH™**

REAL BOURBON. NO APOLOGIES.

We're introducing a rare, small-batch bourbon, Wild Turkey Longbranch. Extraordinarily balanced and smooth, refined with oak and Texas Mesquite charcoals. This unique process results in a sipping whiskey with subtle hints of smoky sweetness.

than the discovery of a constellation.
The universe is too full of stars.
Wine makes daily living easier, less hurried,
with few tensions and more tolerance.”*

Share a taste for adventure

Our founders set sail to travel the world; only to fall in love with New Zealand. After planting vines they used the local earth to build their home. Two decades on, we continue to celebrate the spirit of striking out and breaking boundaries. Wherever you are in the world look out for our distinctive wines and celebrate your taste for adventure.

THE MASTERS OF THE LOIRE VALLEY

9 GENERATIONS OF DISCOVERY

Stretching from one side of the country to the other, the river of kings has been the homeland of our family for nine generations. Over the years, our quest led us along both banks of the river, reaching out to local winegrowers and terroirs.

We invite you to discover the gems we found on our journey and share our passion for one of France's finest wine regions.
